Camp Director—Billy Mims

Billy Mims, the all-time winningest coach in Florida Tech Men's Basketball, has run summer basketball camps for boys and girls throughout the world for over 30 years. His camps stress maximum play, maximum learning, and maximum fun! Mims guided Florida Tech to the 2012 Sunshine State Conference Championship, a 23-7 record (only the sixth 20 win season in program history), and the 2nd Round of the NCAA Tournament. In 2008, he led the Panthers to a 20-8 season, a #11 National Ranking, and the best start in Fit history (11 wins and 0 losses). In December 2007, Mims was named the NCAA DII National “Coach of the Month.” He has produced two 1st Team All-Americans, one National Player of the Week, an Academic All-American, and many All-Region and All-Conference players. As a European professional head coach, Mims coached three different clubs and led them all to National Championship success. In England, he was named the British Basketball League “Coach of the Year” twice and National “Coach of the Month” five times. Mims was twice chosen to coach in the prestigious BBL All-Star game and scouted for the England National team. As a Head Coach in the USA and Europe, Mims has seen his teams win over 500 games and collect seven National Championships. He also serves as a regular commentator for the NBA Finals on Sky Sports TV. In September 2010, Mims was a guest speaker at the FIBA World Championships in Istanbul, Turkey.
