Some Comments:

- Liked the instructors very much; they were all helpful and interesting.
- I liked the counselors very much.
- I found the camp to be very informational and fun; I learned a lot and it opened my eyes to engineering.
- I enjoyed the experience of each of the engineering majors
- I did not expect to have this much fun while learning; meeting new people and doing activities. This was an experience to remember.
- The camp was above my expectations; the overall experience was awesome.
- Great camp.
- I am happy with the camp and feel I learned a lot from the knowledgeable professors.
