Florida Tech Department of Athletics
Women’s Lacrosse
Lindsey-Kate Smith, Assistant Coach
150 W. University Blvd., Melbourne, FL 32901
609-744-8154 | lindseykate@fit.edu
Florida Tech
Women’s Lacrosse Clinic
When: September 26–27, 2015
Time: 9 a.m.–1 p.m.
Price: $75
Registration is 8:30 a.m. Saturday at your field.

Elite Division
9 a.m.–1 p.m., Panthers Turf Field
This clinic will help a player build off their fundamentals and become a sharper, smarter lacrosse player. You will work with the current college team in honing your positional skills as well as learn offensive and defensive concepts applied at the next level. Small groups will be utilized throughout the weekend and each day will commence with competitive games.

Developmental Camp
9 a.m.–1 p.m., Southgate Grass Field
This clinic will give any new, beginner or youth player (7th grade and lower) the fundamentals needed to play lacrosse. You will work with the current college team in getting acclimated to the sport, learning the basics and rules, and working through individual drills and group games to be able to start competition after the weekend concludes.

Players may be moved up into the Elite Division or down into the Developmental Camp at the coaches discretion.

Please email the FIT coaching staff with any questions regarding level of play.

CORINNE DESROSIEUX’S BIOGRAPHY
Corinne Desrosiers (Duh-ROW-sures) was named Florida Tech’s first head women’s lacrosse coach on June 19, 2013. Desrosiers will lead the program in its inaugural campaign in 2014-15.

In early November, Desrosiers announced the signing of seven high school prep stars, FIT’s first commits to the women’s lacrosse program. The group includes high school all-American Haley Heggblod, Bridgette Soucy, Sara Grenier, Kelly Sullivan, Mary Gormley, Caroline Dunleavy and Allie Wood.

Desrosiers joined FIT after six seasons at the helm of Merrimack College. Arguably the toughest women’s lacrosse conference in Division II (Northeast-10 Conference), Desrosiers led the Warriors to an 8-6 record, a 7-3 NEC mark and a conference tournament berth in 2008, her first season at the helm. Her teams reached the Northeast-10 Conference Tournament five straight years from 2008-12.

LINDSEY-KATE SMITH’S BIOGRAPHY
Lindsey-Kate Smith enters her second season, first as assistant coach, for the Florida Tech women’s lacrosse team. Smith served as a volunteer assistant during the program’s inaugural season in 2014-15.

Smith graduated in 2008 from NCAA Division I Saint Joseph’s University in Philadelphia, Pennsylvania after a successful career on the field. She led the team in assists all four years of her career, was the all-time leader in ground balls (151), and second in career assists (65). Smith was also sixth all-time in career turnovers (56), tied for 10th in career games played (63), and eighth in all-time career points (140). As a senior, she was named to the Atlantic 10 All-Conference Second Team after dishing out 21 assists during the season.

After finishing her playing career, Smith started her coaching experience as a graduate assistant for the Hawks. She earned her Master’s Degree in Criminal Justice and was promoted to assistant coach, a position she held for three years.

Smith helped lead the Hawks to the school’s most successful season in 2009 with the program’s first appearance in a championship final.

Smith lives in Melbourne, Florida with her husband Tim and daughter Kyler-Rae.
