What Camp Is Best For Me?

Campers are divided by age and skill levels, to provide the appropriate learning environment!

Elite Division: Designed for the advanced lacrosse player. Ideal for players that aspire to play at the collegiate level AND have an opportunity to be coached by Florida Tech coaches and players. Will focus on taking your game to the next level with skills and strategies for shooting, offensive motion, defensive techniques, speed and agility, footwork and team play. Game-like situations and drills will be used to put these techniques into practice.
